

C.A.R.E.4Paws PRESENTS

Project ResponsiBull

INCLUDES PIT BULL EDUCATION, FREE OBEDIENCE TRAINING AND A FREE SPAY/NEUTER

THE SCOOP ON PIT BULLS

- Pit bulls are traditionally not human aggressive. They make great family pets and are often called "nanny dogs."
- Pit bulls score an 83.4% passing rate with the American Temperament Test Society. Better than the border collie and golden retriever.
- Pit bulls are blessed with tenacious athletic ability, loyalty, intelligence and high energy. They need daily exercise, discipline, affection as well as socialization with people and other dogs from puppyhood and on.

Make sure you can provide all that a pit bull needs before getting one. This breed is not for everyone.

The pit bull, more than any other breed in history, is continuously made a villain through media hypes and irresponsible ownership.

It's time for a change.

C.A.R.E.4Paws' Project ResponsiBull is **FREE** to pit bull owners and includes:

- **PIT-ED**
Discover the dos and don'ts of owning a pit bull and help dispel some of the myths and misconceptions about this breed
- **TRAIN A PIT**
Our obedience classes show you how to be the pack leader and build a stronger relationship with your dog.
- **FIX A PIT**
Spay/neuter your pit to help improve behavior and reduce breed overpopulation.
